He is also given an information pack that includes the house rules, a sample weekly rota and information about costs. - The applicant is advised that the outcome of the assessment will be given within 2 days.
- The outcome is given by letter which either offers or declines a place.
- The referring agency will be informed of the outcome of the assessment.

Prioritising Applications

- Applications will be taken in the order in which they are received.
- In the event that there are no vacancies, the client will be offered the opportunity to go on a waiting list or alternatives may be suggested.
